

I also had the pleasure of representing MTM at the Haitian Flag Day in Indianapolis. MTM had a table display and made some great contacts. There was a flag parade, speakers, Haitian folk dances, music and of course, authentic Haitian dinner! Yum!

Of course I tell about all the extras I get to do that are so enjoyable, but mostly I'm in the office tracking donations, making deposits, creating and printing student profiles, maintaining donor contact lists, receipting donors, etc. But I truly love the fact that each day, I get up and work for a ministry that is making a lasting impact on many Haitian lives! God really is making a difference one person, one village at a time and I am so blessed to be part of His work! If it weren't for my support team I wouldn't be able to be in this position that I love so much. Thank you to all who support me and to those who will someday!

I'm excited to say that I have reached 53% of my monthly financial support goal! Please join me in prayer that I can recruit more ministry partners soon. God says He will provide and I totally trust this to happen! If you would be willing to join my team you may donate online at www.mtmhaiti.com which is a donation that can be recurring each month, or you may send donations to PO Box 7053, Terre Haute, IN 47802. Simply put "0417" in the memo field of your check. If you know of someone who would like to be part of MTM's ministry by supporting my position in the MTM Office, please consider putting us in contact with one another.

My Sunday-school class has raised \$50,000 to build homes for those in need. In October we will travel to Haiti to begin the building process. It is very exciting to be able to bless several families in Gramothe! We will work side-by-side with the individual families in building their home. This is a huge statement as to what God is doing in their lives, not only to the family receiving the home, but to all those around as typically those who receive the home are those who have shown their commitment and faithfulness to the church and community.

On my wish list in addition to my monthly support are donations for my October trip to Haiti and funds for postage and supplies for my newsletters and receipts.

Thank you and God Bless you!

In Christ,

Deb Williams
